

Rewards Exchange

A robust voucher access and exchange portal.

Rewards Exchange gives you unlimited access to an ever-growing list of voucher types and voucher providers, all through a single integration. This gives you the freedom to do more for your customers and your business with less effort.

Freedom to do more!

Here are the many types of voucher providers that are already partners with Rewards Exchange.

- Clothing retailers
- Charities
- Bookshops
- Electronics
- Telecoms
- Investment savings
- Homeware
- Restaurants
- Digital retailers
- Grocery stores

Unbeatable variety

Tired of giving away airtime for all your promotions? There is a better way! Rewards Exchange provides the widest range of rewards from our digital stock of partner vouchers that you can offer in your next campaign.

One stop voucher shop

Get our API now and start giving your customers more. Instead of integrating into many stores/voucher providers, you can simply integrate to our all-in-one vouchering solution.

Easy as 1, 2, 3!

- Pick a voucher provider/brand
- Pick a voucher denomination
- Send the selected voucher to your customer base

Maximum choice. Minimum effort

No need to negotiate terms for every single voucher provider, and no need to spend hours settling accounts from different partners. Rewards Exchange offers you more choice with none of the admin, giving you the freedom to focus on the things that really matter to you.

Growing network of rewards partnerships

Our network of rewards partnerships is continually growing, with new offerings automatically added to your rewards store.
